Primary Health Care and cooperation: A utopia?

MMI Assembly as side event to the scientific conference and Jubilee Assembly of the Federation of Medicus Mundi Spain

The Jubilee events of the Federation of Medicus Mundi Spain (MM Spain) will start with a scientific conference on “Primary Health Care and Cooperation: A utopia?” in the Medical College of Physicians of Barcelona, in the upper side of the city. The Assembly of MMI will be hold on Saturday morning in parallel with the MM Spain Jubilee Assembly. There will be a jubilee dinner on Saturday evening and further jubilee side events from Friday to Sunday.

Looking forward to seeing you soon in Barcelona!
