

PHC for UHC – the role of development cooperation

Are we strengthening or weakening national health systems?

Friday, 26 October 2018, 13:15 – 14:15 hrs
Global Conference on Primary Health Care
Palace of Independence, Astana, Room Burabai, 1st Floor

Join us to find out more on how development cooperation can contribute to strengthen PHC and to achieve UHC!

- ❖ Understand how development cooperation can promote PHC/UHC and strengthen national health policies and systems
- ❖ Learn about country experience in promoting PHC and the contribution of development partners
- ❖ Learn about civil society engagement in promoting community involvement in national health policies and systems
- ❖ Identify ways forward for a multistakeholder partnership such as UHC2030

In collaboration with:

csem
Civil Society Engagement Mechanism for UHC2030

medicus mundi
international network
health for all
